

Energy Savings at Down Hall Country House Hotel

Following the introduction of the Veladail Going Green Environmental Policy, Down Hall Country House Hotel, Bishop's Stortford near Stansted has already started making reductions in its electricity usage. View our electricity reductions from 2007 compared to 2008 and check back monthly to view our progress.

For more information on the Going Green Environmental Policy, please see the Going Green page on the Down Hall website at <http://www.downhall.co.uk/environmental.php>
